*Although the abovementioned is the current level of turnover/income and is closely related to the economic indicators, it may be more or less in future. Consequently, this Letter does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise this QSE letter is valid only for contracts with a single value of less than or equal to R 50 million. For contracts over R50 million a B-BBEE Verification Certificate based on the Generic Codes must be submitted.

Based on certain procedures performed, we have determined that the turnover/income is less than or equal to R50 million. Based on certain procedures performed, we have determined that the level of Black Ownership / Black Women Ownership is as set out in this confirmation. Our conclusion is subject to an inherent limitation in that our procedures performed were on historical financial information that has not been subject to audit or review.

I confirm that my findings were based and calculated after perusing the relevant and necessary documentation in regards to the confirmation of ownership and revenue.
